

**Fond Doux Plantation & Resort captures another two awards from Trip Expert for the Bamboo Restaurant and Mamma La Terre Spa!**

**(Soufriere, ST LUCIA)** - The award winning Fond Doux Plantation & Resort's Bamboo Restaurant and Mamma La Terre Spa are among the recipients of the 2019 Experts' Choice Award from Trip Expert.

Expert's Choice award is in its fourth year and it is only a few attractions and restaurants worldwide who receive this award. It recognizes endorsements by leading publications, such as travel guides, magazines, newspapers and reflect the consensus of journalists and other professional travel writers. More than 1.5 million reviews were taken into account in determining the winners of the 2019 awards.

An excited Erolina Lamontagne stated "that we are always proud to receive these accolades whether it be local or international, as these are all testaments of the hard work and dedication of the entire Fond Doux team who continue to exceed the expectations of all guests".

With recommendations from publications such as Lonely Planet, Fodor's and Frommers, the Bamboo Restaurant is one of the best restaurants and the Mamma La Terre Spa is one of the best rated attractions in St. Lucia on TripExpert.

Lyton Lamontagne also added that "all the improvements to the plantation resort have certainly not gone unnoticed and the world has just begun to see and marvel at this award-winning national treasure - Fond Doux Plantation & Resort."

Both of the resorts facilities also won the TripExpert's Best of St. Lucia award and according to expert reviewers, they are among the top attractions and choices for dining out in St. Lucia.

**About Fond Doux Plantation:** Fond Doux Plantation & Resort is a 19th century eco-friendly resort situated amidst a 250 yr. old traditional working plantation and features fifteen uniquely designed private cottages, two onsite restaurants serving plantation to plate cuisine, organic spa, boutique, Circle of Love wedding gazebo, triple cascading pool and the "Plas Cacao" Chocolate shop. The resort is conveniently located just minutes away from St. Lucia's main attractions, including the Pitons, Sulphur Springs - 'The Caribbean's only drive in volcano'- and the best diving sites on the island, all within the prestigious UNESCO World Heritage Site.

**About TripExpert:** Founded in 2014, TripExpert is the first service to aggregate expert reviews for hotels, restaurants and tourist attractions. It brings together over 85 leading travel publications. The company is based in New York City. TripExpert has been featured in The New York Times, GQ, The Daily Telegraph, and other publications.
